

## MKSCB Safer Internet Day Competition

The Milton Keynes Safeguarding Children Board (MKSCB) is excited to launch a competition for Safer Internet Day 2017 and would like to invite you to take part.

### **The Challenge:**

Create a short video aimed at parents and carers to provide 5 top tips to help them to protect their children and other young people online. The rules for the competition are on the back of this page.

### **Who Can Take Part?**

The competition is open to all children and young people across Milton Keynes. However, entries must be made through settings or organisations (for example, schools, academies, youth groups, faith groups etc.)

### **The Winning Prize**

When submitting your video to the MKSCB, please identify which of the following categories it falls in to:

#### **Age 5-11 (Primary)**

#### **Age 11-17 (Secondary)**

There will be one winning entry selected from each age category.

### **Winners will be notified no later than Friday 31<sup>st</sup> March 2017**

The winning groups will then be invited to meet with the MKSCB and a local film producer to help create a longer, professional resource aimed at parents and carers. The new resource will then be added to the MKSCB website and will be included in online safety training delivered by the MKSCB throughout 2017.

Your video must be received by the MKSCB no later than:
